## Overview

Alec Bayer Covey practices fiduciary litigation, probate and trust litigation, estate and probate administration, guardianship and related appellate work.

Alec enjoys working as a legal advocate and counselor for clients during challenging times in their lives. She focuses her practice on representing beneficiaries as well as executors, administrators, trustees, and guardians in the litigation of various fiduciary claims, probate administration, trust administration, and guardianships. She focuses on effectively and efficiently assisting clients to resolve imminent issues in accordance with the rigorous legal timelines determined by the law. Furthermore, she is skilled in understanding, managing and resolving the complexities of familial relationships in the midst of conflict.
