Overview

Robert R. Wisner practices in the areas of banking and financial services, real estate, and corporate, business transactions and tax.

Rob crafts creative solutions for banks and other financial service providers ranging from community banks to large multi-state holding companies, and finance companies. His advice and unique expertise on consumer and commercial lending forms, policies, and procedures are sought not only by financial institutions, but also by forms companies, other lawyers, and regulators.

Since Rob's entire professional career has been devoted to representing financial service providers, he has a unique ability to draft and negotiate documents that protect his client's interests. He constantly develops and refines forms to efficiently deliver documents customized to each transaction.

Rob frequently publishes articles, presents seminars, and conducts training on Texas and federal consumer compliance and lending. Since first published in 1992, Mr. Wisner's book, *Usury and Texas Credit Laws*, is the "go to" treatise on lending and compliance in Texas; [preview the Table of Contents here](#), or [place an order here](#).
